Work Experience

Artifact Concepts, Graphic Design Intern, Boulder, CO October 2009 - Present

Duties include, designing posters, apparel, web graphics, and other merchandise for clients in the music industry. Other tasks include order fulfillment, updating of web stores, and managing product inventory.

Skiing Magazine, Graphic Design Intern, Boulder, CO July 2009 - September 2009

As a design intern daily tasks included flowing type, designing article layouts, creating charts, and information graphics. Other duties included keeping files organized, prepress setup, and making changes to layouts based on feedback from the art director and editorial staff. Interning with Skiing served as a valuable learning experience and as an excellent transition from college to the fast paced, deadline oriented world of design.

Roger Williams University, Campus Design Center, Bristol, RI September 2008 - May 2009

Responsibilities included designing and printing materials for campus events based on design briefs provided by event organizers, working with other members of the design center staff, and meeting tight project deadlines.

Roger Williams University, Graphic Design Lab Monitor, Bristol, RI 2007-2008

Responsibilities included printing students final projects on Epson printer, and assisting students with software questions.

Freelance Graphic Design, Boulder, CO 2007- Present

I have undertaken various freelance design projects ranging from flyers for events, to logos for small businesses.
